Master Halco announces new Adjust-A-Gate kits

ORANGE, Calif. — Master Halco, Inc., the leading distributor and manufacturer of fence systems in North America, has announced the Adjust-A-Gate™ gate kit as the latest addition to its line of fencing products. Adjust-A-Gate™ is ideal for repairing an old gate or building a new gate. Equipped with all necessary parts, the gate is easy to assemble on-site to get the job done right the first time. The all-steel frame prevents sagging and dragging. The fade and rust resistant all steel wood-color powder coated 1.5" square frame and hardware allows for two 2" x 4" or 2" x 6" horizontal supports for stabilizing gate boards. An adjustable diagonal truss cable keeps your gate true and straight year after year.

Master Halco® takes pride in supplying a gate that is maintenance free and built to last a lifetime. Rest assured that with Adjust-A-Gate™, the quality of construction and ease of use will guarantee hassle-free installation every time. Adjust-A-Gate™ offers you the following benefits and more:

Features & Benefits

- o Galvanized Steel Construction
- o All Inclusive Hardware
- o Adjustable to Fit All Openings
- o Adjustable Truss Cable Included
- o One-Year Warranty

Adjust-A-Gate™ kits are part of a wide selection of fencing solutions offered by Master Halco. Additional products include ornamental iron or aluminum, chain link, vinyl, wood & wood composite and welded wire. Since 1961, Orange, California based Master Halco has served professional fencing contractors and quality building materials retailers. Branch service centers, distribution centers, and manufacturing plants are strategically located across the U.S. and Canada.
