Master Halco announces new Colonial Aluminum Fencing

ORANGE, Calif. — Master Halco, Inc., the leading distributor and manufacturer of fence systems in North America, has announced Colonial Aluminum® as the latest addition to its line of ornamental fencing products.

Colonial Aluminum fence offers the classic look of wrought iron, coupled with the low maintenance of aluminum. Colonial Aluminum® panels come in 6' rackable sections and beautifully adjust to the contours of most landscapes. The visually appealing screwless design offers that desired "good neighbor" look. The added benefit of a Lifetime Limited Warranty provides peace of mind in knowing that an investment in Colonial Aluminum will last for years to come.

Features & Benefits

- o Aluminum panels and posts that never develop red rust
- o Ideal for poolside installations
- o Easy rackability up to 20" over 6' for flexibility over uneven terrain
- o Durable architectural grade powder coating
- o Gates have welded rails and pickets for added strength and durability
- o Assembled sections for quick and easy installation
- o Many styles available to suit your needs

Colonial Aluminum fence is part of a wide selection of fencing solutions offered by Master Halco. Additional products include ornamental iron, chain link, vinyl, wood & wood composite, and welded wire. Since 1961, Orange, California based Master Halco has served professional fencing contractors and quality building materials retailers. Branch service centers, distribution centers, and manufacturing plants are strategically located across the U.S. and Canada.
