Remington™

Master Halco announces new Remington Ornamental Fencing

ORANGE, Calif. — Master Halco, Inc., the leading distributor and manufacturer of fence systems in North America, has announced Remington™ as the latest addition to its line of ornamental fencing products.

Remington™ fills the niche for those fencing jobs that require full sized, non-racking steel fence panels at a competitive price. 6 Panel styles feature 5/8", 18 GA pickets. 1.25" square gate ends and 2" square posts are 16 GA. All posts have flat steel caps pre-installed. Remington™ comes with a 1 Year Limited Warranty.

Features & Benefits

- o 6 panel styles to choose from
- o All panels are 8' wide by 4', 5' or 6' tall (full width, full height)
- o 21 (5/8" 18 GA) pickets per panel
- o TGIC and UV-proof polyester based powder coating
- o Assembled sections for quick and easy installation
- o Available nationwide through your local Master Halco location

Remington™ ornamental fence is part of a wide selection of fencing solutions offered by Master Halco. Additional products include ornamental aluminum, chain link, vinyl, wood & wood composite, and welded wire. Since 1961, Orange, California based Master Halco has served professional fencing contractors and quality building materials retailers. Branch service centers, distribution centers, and manufacturing plants are strategically located across the U.S. and Canada.
