Fence Contractors, meet or beat your first half of 2009 Master Halco purchases in the second half of 2009 to qualify!

-  Automatically earn a cash-back rebate on all Q1, 2010 purchases!
-  All products qualify for the rebate!
-  Rebate amounts are 2%, 5%, and 10%!
-  No records to keep or forms to complete, the rebate is automatic!

Race to purchase more in the second half of 2009 and **EARN CASH!**

Only fence contractors are eligible to participate in the Race To Cash promotion. To qualify for the Race To Cash rebate, contractors must first meet their net 2009 1st-half Master Halco shipped purchases with their net 2009 2nd-half shipped purchases by 12-23-09. The percentage gain will determine the rebate earned on net purchases that ship during the 2010 rebate earning period.* All Master Halco products are eligible for the Race To Cash promotion. Qualifying contractors will automatically receive a Race To Cash rebate in the form of a check unless the contractor's account is past due; if so, then the rebate will be applied to any past due balance. Only one Race To Cash rebate check will be paid per contractor. Contractors must be in good financial standing (not in collections) at the end of the 2010 rebate earning period to receive a Race To Cash rebate. Contractors who did not purchase from Master Halco in the first half of 2009, but did in the second half, will qualify for a 2% Race To Cash rebate. *See www.MasterHalco.com for complete program details.
