Master Halco announces new Web Site: MasterHalco.com

ORANGE, Calif. — Master Halco, Inc., the leading distributor and manufacturer of fence systems in North America, launched its new web site www.MasterHalco.com on Monday, February 23, 2009.

With a dynamic new look, MasterHalco.com is the ultimate resource for fencing needs of any kind. It is a site that provides online visitors with improvements in navigation, appearance, and accessibility to valuable information.

Enhancements to the web site include:

- Improved navigation that makes it easier for visitors to find what they are looking for within the site.
- Improved page layouts that provide visitors with an organized user experience.
- New features on the web site, including tools that will help the professional fence contractor.

While the appearance and high-level organization of the web site are enhanced, the information located on the original web site is available via the new site. Existing bookmarks will be redirected to the new home page or the exact location of the new page.

This new web site is part of a wide selection of fencing solutions offered by Master Halco. Our products include ornamental iron, chain link, vinyl, wood, and welded wire systems. Since 1961, Orange, California based Master Halco has served professional fencing contractors and quality building materials retailers. Branch service centers, distribution centers, and manufacturing plants are strategically located across the U.S. and Canada.
